A photograph of a classroom scene. In the foreground, a boy with short brown hair, wearing a black t-shirt with a skull graphic, and a girl with brown hair and a white headband, wearing a red dress, have their arms raised. They are looking towards the right. In the background, other children are seated at green tables. One boy is leaning his head on his hand, looking towards the camera. The room is brightly lit, and there are various classroom items like a green basket and a pink bag on the tables.
